The average annual turnover for a new Job Bank full time business in Year 1, when focusing on permanent recruitment is between £25,000 to £50,000.

The figures below give you an idea of the potential earnings based on an average 10% introduction fee, and an average salary of £25,000.

2	20	£50,000
3	30	£75,000

In roles where there is a high turnover of staff, clients prefer to pay a fixed fee rather than a percentage, however, as they would need more staff replacing on a regular basis, the potential earnings would remain similar.
